

Stainless Steel Releasable Cable Ties

- The unique buckle design provides quick, easy application which can be unfastened for re-using.
- Ideal for use in environmentally harsh conditions where subjected to various chemicals, acids, salts and high temperatures.
- Black Nylon coated ties also available providing additional chemical and weathering resistance properties as well as providing insulation and additional protection to the bundle materials.

Material Stainless steel AISI34 (Uncoated)
 Stainless steel AISI304 (coated)

Operating temperature range -80°C to +538°C

Uncoated	Length mm	Width mm	Bundle Dia. mm
SSTNR150-6	150	6.3	25
SSTNR225-6	225	6.3	63
SSTNR300-6	300	6.3	86
SSTNR450-6	450	6.3	137
SSTNR610-6	610	6.3	185

Coated	Length mm	Width mm	Bundle Dia. mm
SSTNR229-6NC	229	6.3	63
SSTNR305-6NC	305	6.3	86
SSTNR457-6NC	457	6.3	137
SSTNR457-9NC	457	9.5	137
