

Specialised Wiring Accessories Ltd. have built their reputation over many years of continued development to become one of the leading exponents in the Cable Wiring Accessory market, setting the standards of performance for quality service, keen pricing structures and a fulfillment system second to none.

With solid expertise in technical design and innovation, manufacturing and testing, SWA prove time and again that their knowledge and attention to detail can be trusted to provide you with the right products, to your budgets and in the timescale you require. Our product catalogue continues to expand and our technical sales engineers will be delighted to work alongside you to ensure your order requirements are implemented successfully.

Our purpose built warehousing facility, which is close to the motorway network carries enormous stock across hundreds of lines, ready to be despatched on order.

SWA is the choice of leading electrical companies, both supplying and servicing the electrical trade and industry.

**Make the right connection call us now**

SWA strives to continually improve the effectiveness of our Quality, Environmental and H & S Management System through continual review and monitoring of objectives and targets.

## Step 2 : Change your account details

This section enables you to change your unique password, your telephone number or your email address :

Once you have confirmed your email address, we can send you 'Order Acknowledgments'.

We understand how important security is to our customers and we have therefore given you the ability to change your user password as often as you wish. You can do this by going to the 'My Account' section once you have entered the log-in section of the site.

A screenshot of the SWA website's 'Change Account Details Request' form. The page has a red header with the SWA logo and the tagline 'All the right connections!'. Below the header is a navigation menu with links for Home, Products, New Products, News, About Us, Events/Info, Videos, Contact Us, and Site Map. The main content area is titled 'My Account > Change Account Details Request' and contains three sections: 'Send request to change account password:', 'Send request to change account telephone number:', and 'Send request to change account email address:'. Each section has input fields for current and new passwords, telephone number, and email address, followed by a 'Send Request' button. On the right side of the page, there is a 'Shopping Basket' section showing 'Basket is Empty', a 'DOWNLOAD PRODUCT CATALOGUE' button, and a 'SAVES 60% Off' banner. At the bottom right, there is a 'OVER 25 Years' banner.

## Step 3 : Home Page

From the Home Page you can:

- Search by product code or keyword
- Check stock
- View regular promotions
- Place orders at any convenient time - 24 / 7
- Quick product access through the left hand drop-down menu
- View ' my previous orders'
- Check the 'News' section
- Access the Navigation menu
- View latest videos
- Download the SWA Product Catalogue

## Step 4 Place Order

Once you have logged-in, simply select the product you wish to order, add the quantity you require and then click 'Add to Basket':

Click on the 'Check Out' button to view your basket. Carefully check the prices are as you expect, if not, call us before you proceed.

Add your purchase order number and select your delivery option from the drop-down menu. Check and update any quantities to ensure that your order total is carriage paid (i.e. over £100), and then click 'Confirm Details'.

Check the final confirmation page and then add your email address. Click 'Place Order'. An order acknowledgement will be sent to your email address.

From this page you can also:

- Download your current order to a CSV file which you can store on your PC
- Upload a CSV file from your PC into a new online order
