# REACH Regulations Statement

REACH Regulations statement Under the definition of the REACH regulations EC1907/2006, Shoal Group is a producer of "articles". REACH requires article suppliers to inform recipients if an article contains a Substance of Very High Concern (SVHC) in excess of 0.1% by weight.

The Candidate list was updated on 23$^{rd}$ January 2024 to include 2 new SVHC, which are listed in Table 1 below. The Candidate list now contains 240 substances, and the complete list can be found at https://echa.europa.eu/candidate-list-table

Based on the material content of certifications provided by Shoal Group's suppliers, it has been identified that some of the products supplied contain SVHC's above the threshold, these have been listed in the appendix 1 below.

Shoal Group continue to comply with REACH requirements and notify customers of any change in article content. All information in this declaration is given to the best of our knowledge. Shoal Group relies on the REACH conformity declaration of its suppliers and does not assume liability for accuracy of their statement.
